Academic Interests: A.B. in Geology, Non-Fiction Writing

**Deerfield Academy**, Deerfield, MA

*Graduate, May 2001*

Editor of *Deerfield Scroll*

## WRITING/EDITING EXPERIENCE

---

**NASA Goddard Space Flight Center**, *Earth Science News Writer*, Lanham, MD 2008-pres.

- Report and write feature stories about remote sensing of earth for the [NASA](#) and [Goddard](#) earth science web pages.

**U.S. News & World Report**, *Health and Medicine Reporter*, Washington, DC 2006-08

- Covered health and medicine for both the magazine and [www.usnews.com](http://www.usnews.com).
- Blogged about men's health for the "On Men" column.

**Mote Marine Biological Laboratory**, *Science Writer*, Sarasota, FL 2005

- Researched and wrote feature length stories about marine biology for laboratory magazine.

**Popular Science**, *American Society of Magazine Editors (ASME) Editorial Intern*, New York, NY 2004

- Wrote articles, fact-checked, and performed other editorial tasks for the nation's largest science and technology magazine.

**Brown University Howard Hughes Science Writing Fellowship**, *Science Writer*, Providence, RI 2003

- Received a fellowship that included a science writing seminar from experienced Brown University science journalists and the opportunity to write science stories for Brown's *George Street Journal*.

**Chicago Field Museum**, *Magazine Intern*, Chicago, IL 2003

- Researched and wrote feature length articles about natural history as a summer intern.

**American Parks Network (APN)/Fodor's Travel Guides**, *Guidebook Writer*, Various Locations 2002-04

- Wrote official National Park Service guidebooks for Mammoth Cave, Death Valley, Denali, Glacier Bay, and Lake Mead National Parks. APN circulation is 5.3 million — the 6<sup>th</sup> largest circulation for guidebooks in the country.

**Brown University Writing Fellow**, *Writing Coach/Tutor/Editor*, Providence, RI 2002-05

- Critiqued the academic writing of my peers. As a writing fellow, I worked across disciplines, conducted peer conferences, and participated in a seminar on the theory and practice of teaching writing. Of the 300 students who typically apply for the program 35 are selected. Courses I followed include: *Embryology*, *Darwinian Medicine*, *Earth Systems History*, and *Existentialism*.

**Historic Deerfield/Deerfield Academy/Deerfield Land Trust**, *Feature Writer*, Deerfield, MA 2001-05

- Freelanced for a museum periodical, an alumni magazine, and a land trust newsletter.
